ADVISORY 2025-0031

TO : MEMBERS / BUILDING ADMINISTRATORS ALONG L.P. LEVISTE STREET
SUBJECT : IMPLEMENTATION OF MACEA PEDESTRIANIZATION PROJECT

Dear Members,

We would like to invite you to a meeting on **July 9, 2026 at 10:00AM**, at the MACEA Office to discuss the MACEA Pedestrianization Project, which will cover the streets of L.P. Leviste, Sedeño, Villar, and Paseo de Roxas.

This initiative is aligned with the Makati 2050 Vision, presented during the Annual Membership Meeting on June 24, and supports its strategic objectives of greening the public realm and enhancing connectivity and accessibility.

As part of this program, we will present the conceptual plan for pilot sidewalk enhancement projects. These improvements are designed to provide safer pedestrian facilities and create a more pleasant walking experience within the Central Business District.

Your insights and active participation are essential to ensuring the successful implementation of these initiatives, which will contribute to a more resilient, competitive, and people-friendly Makati.

We look forward to your presence and valuable contributions.

For and on behalf of Makati Central Estate Association, Inc.
