RE : Salcedo Saturday Market – Regular Road Closure

Dear Members,

Please be advised that, in connection with the regular conduct of the Salcedo Saturday Market, a revised road closure and traffic management arrangement shall be implemented **every Saturday until further notice**.

Under this arrangement, **Leviste Street, from Villar Street to Velasquez Street, and portions of Toledo Street, from Leviste Street to Soliman Street, will be closed to vehicular traffic every Saturday from 4:00 AM to 5:00 PM** to accommodate the setup, operation, and dismantling of the market.

Buildings located along the affected road sections are advised that **vehicular traffic and access will be rerouted through San Agustin Street** during the prescribed closure period. Building Administrators and Security Officers are requested to properly advise their residents, tenants, guests, delivery personnel, and service providers of the traffic arrangement and make the necessary adjustments to their access and delivery schedules.

Please see the attached map for reference and guidance on the affected road sections and traffic rerouting arrangement.

This arrangement shall remain in effect **every Saturday until further notice**.

Your cooperation and continued support are highly appreciated in ensuring the safe, orderly, and efficient conduct of the Salcedo Saturday Market and minimizing any inconvenience to the surrounding buildings and community.

Sincerely,

PAUL GETTY E. GRANADA
General Manager
