FOR : Salcedo Village Building Administrators

RE : Invitation to Salcedo Residents Meeting – Weekend Shared Streets

---

Dear Salcedo Village Building Administrators,

Greetings from MaCEA.

Attached is the invitation to the **Salcedo Residents Meeting on Weekend Shared Streets**, scheduled on **September 10, 2026 (Thursday), from 4:00 PM to 6:00 PM** at the 25th Floor, Tower One & Exchange Plaza, Ayala Triangle.

In view of the **limited venue capacity** and to ensure that each residential building around Salcedo Village is given an opportunity to participate, we are limiting the representation to **two (2) residents per building**.

Priority may be given to **Condominium Corporation officers**; however, should they be unavailable, the building may designate other residents to represent the condominium.

May we kindly request your **confirmation of attendance and the names of your two (2) representatives on or before 12:00 Noon of September 8, 2026 (Tuesday)**.

We also kindly request that **this invitation be kept within the designated building representatives and not circulated to the wider resident community**, as attendance is being coordinated on a limited, building-representation basis.

We appreciate your assistance in facilitating your building's representation and look forward to a constructive discussion on the Weekend Shared Streets initiative and its future in Salcedo Village.

Thank you, and we look forward to your confirmation.

Sincerely,

PAUL GETTY E. GRANADA
General Manager

Dear Salcedo Resident,

We would like to invite you to attend the Salcedo Residents Meeting on Weekend Shared Streets on:
Date: Thursday, September 10, 2026
Time: 4:00 PM to 6:00 PM
Venue: 25th Floor, Tower One & Exchange Plaza, Ayala Triangle, Ayala Avenue, Makati City

Over the past month, the Weekend Shared Streets initiative was piloted in Salcedo Village during the weekends of August. The pilot aimed to create safer, more walkable streets that encourage community interaction while balancing the needs of residents, pedestrians, motorists, businesses, and other stakeholders.

During this meeting, we will:

- Share the broader Makati Vision for creating a more livable, people-centered city;
- Present and discuss the feedback gathered from residents and stakeholders during the Weekend Shared Streets pilot;
- Exchange views on key concerns, opportunities, and areas for improvement; and
- Work together toward a practical and balanced approach that is broadly acceptable to stakeholders while advancing the goal of safer and more walkable streets for everyone.

Your insights and perspectives as a resident are invaluable in helping shape the future of this initiative. We hope you will join us in this constructive dialogue and contribute to building a shared vision for Salcedo Village.

Kindly confirm your attendance through your Building Administrator on or before September 8, 2026.

We look forward to your participation and to a productive discussion.
