DATE : August 20, 2026

FOR : ALL MEMBERS/BUILDING ADMINISTRATORS

RE : ADJUSTMENT TO THE WEEKEND SHARED STREETS

In response to the feedback and suggestions received from our members, residents, locators, and other stakeholders, MACEA is implementing adjustments to the Weekend Shared Streets (WSS).

Beginning this weekend, WSS will operate on **Saturday, from 4:00 AM to 2:00 PM only**, instead of the previously announced schedule covering Saturday to Sunday.

In addition, the traffic management and rerouting scheme have been adjusted based on the feedback received during the previous weekends. The revised route is intended to improve traffic flow and address concerns raised by residents, businesses, motorists and other stakeholders.

Please refer to the attached adjusted route map for the updated traffic scheme and affected areas.

These adjustments are part of our continuing effort to listen to our stakeholders and improve the WSS pilot based on actual experience and feedback.

We appreciate everyone's continued cooperation, understanding, and support as we continue to refine the Weekend Shared Streets program.

Thank you.
