SUBJECT : SURVEY – WEEKEND SHARED STREETS (PILOT PROJECT)

Your feedback is especially valuable to us.

We are currently piloting the Weekend Shared Street, an initiative that transforms selected streets into more pedestrian-friendly public spaces, creating a safer and more enjoyable connection between Ayala Triangle Gardens and Jaime Velasquez Park.

Whether you live, work, own a business, or regularly visit Salcedo Village, we invite you to share your experience and suggestions to help us improve the pilot. Simply scan the QR code below to access the survey. It takes approximately 7 to 10 minutes to complete. All responses will be treated with strict confidentiality and will be reported only in aggregate.

Thank you for taking the time to help shape the future of the Weekend Shared Street and create a more vibrant, walkable, and people-centered Salcedo Village.
