MEMORANDUM CIRCULAR # 86-02:
Building Members Concerned

The Members of MaCEA are requested to participate in the different events commemorating the "Araw Ng Makati" festivities. The 3-day celebration starts at 3:00 p.m., Friday, 30 May and ends on 1 June, Sunday.

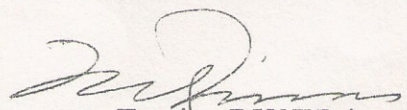

During this period buildings are urged to display on facades, canopies, or other conspicuous areas, yellow banners or streamers bearing the "Araw ng Makati" text. Also on Friday, 30 May at 3:00 p.m. it would generate a very festive and lively atmosphere if the Building administrations encouraged the tenants/occupants of their buildings to shower confetti on the parade participants while they wend their way along Ayala Avenue.

Attached for dissemination is the schedule of activities for the information of building tenants/occupants.

Your usually cooperative attention is appreciated.
