MEMORANDUM CIRCULAR #87-03
Member-buildings Concerned

It has been observed that during the Holiday Season some buildings, particularly along Ayala Avenue, Paseo de Roxas and Makati Avenue, put up displays and/or decorations on their facades or canopies. This gesture is viewed with admiration as it symbolizes that we can still keep the Christmas spirit alive despite these troubled times.

For this year, a project proposal to coordinate these individual displays into a more meaningful presentation has been tendered by Mayor Binay in coordination with the Makati Kiwanis Club. Details will be provided to you by the project motivators.

The MACEA Board is in accord with this recommendation and therefore earnestly urges all concerned building-members to continue to support this laudable venture.
