MEMORANDUM CIRCULAR #88-07

Building Owners/Administrators Concerned

In response to the observations and suggestions of building owners, administrators, occupants, and other affected parties, the MAKATI PARKING AUTHORITY, Inc. (MAPA) is introducing modifications on the one-way traffic flow scheme now in effect at Legaspi Village. This revision of traffic flow will in force on 20 October 1988.

This adjustment, in effect, converts all service roads which serves as entrances/exits from the buildings' private surface and basement parking facilities into a one-way traffic flow. With this system, the salutary effects will be; increased road capacity, decongestion of service roads, elimination of traffic counterflow conflicts, faster entry and exit from basement parking facilities.

The modified direction of flow of the following service roads is as follows:

Road Affected	Direction of Flow
Adelantado -	Towards -> Benavidez
Sotto -	-do- -> Dela Rosa
Bolanos -	-do- -> Herrera
Ormaza -	-do- -> Dela Rosa
Rodriguez -	-do- -> Dela Rosa
Castro -	-do- -> Legaspi
Gil -	-do- -> Dela Rosa
Nieva -	-do- -> Dela Rosa
Gallardo -	-do- -> P de Roxas
Soria -	-do- -> Trassiera
Jimenez -	-do- -> Salcedo

The accompanying map illustrates the current as well as the alterations on the Legaspi traffic flow scheme. Aside from the foregoing no major changes in the Legaspi traffic flow plan is foreseen.

Please give this matter as wide dissemination as possible to your tenants, visitors and all others concerned.

Thank you.
