MEMORANDUM CIRCULAR #89-07  
Building Administrators Concerned

The MACEA Board have consented to the request of the Makati Parking Authority (MAPA) for assistance on the informational campaign of MAPA on proper parking procedures. This informational campaign is by way of handbills and posters. Said handbills and posters will be provided by MAPA.

It is requested in this connection that the handbills be distributed to your tenants so they may be reminded of the proper parking procedures in force in the area. It is requested further that the posters be displayed prominently in your building's main entrance lobby and if possible also on elevator lobbies.

Your cooperation in this effort will go a long way towards the realization of a rationalized and orderly vehicular parking within our business district.

Thank you for your kind cooperation.
