MEMORANDUM CIRCULAR R91-08
Building Members Concerned

The organizing committee of the 16th South East Asian Games hosted by the Philippines is requesting through us the members of MACEA to manifest support of the games by creating an ambiance of festivity for participating athletes and officials.

Member-buildings participating in the "Belen sa Makati" project are urged to accelerate their installations of decorations so that completed displays will coincide with the duration of the SEA Games which kicks off on November 24th.

Thank you for your cooperation.
