MEMORANDUM CIRCULAR 94-01:

To: Lot Owners

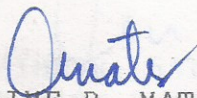

Pursuant to MACEA's rules and regulations particularly on Section 9, of the Consolidated and Revised Deed Restriction which states:

xxx9. SUBMISSION OF BUILDING PLANS

In general, all building plans and plans for addition or external modification of any building shall first be submitted for the approval of the VENDOR before construction is made on the property. And such plans, pertinent specifications and construction methods shall be subject to the restriction herein provided and to the National Building Code requirements rules and regulations and other applicable government regulation.xxx

no construction activities can be commenced in any area or lot within the jurisdiction of MACEA unless plans thereof have been reviewed and approved by MACEA/Ayala Land, Inc.

For your guidance.
