**TO : ALL CONCERNED**

**RE : NO NOISE-GENERATING ACTIVITIES**

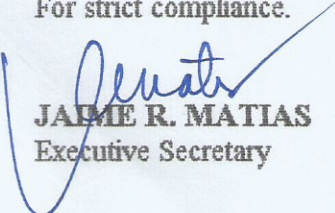

---

It has been observed that the Association's regulation on the prohibition of construction noise is being grossly violated in certain on-going construction projects.

Henceforth, all noise generating activities such as the operation of heavy equipment, jackhammers, pumpcretes, concrete breaking machines and the like **shall be prohibited on Sundays and holidays.**

The Association shall impose sanctions and/or cancellation of permits to violators of this prohibition.

For strict compliance.
