MEMORANDUM CIRCULAR 97 - 08

TO : ALL MEMBERS/BUILDING ADMINISTRATORS

RE : WATER SUPPLY

The Metropolitan Waterworks and Sewerage System (MWSS) has informed us that it is currently undertaking checking and repair of watermain gate valves.

The above work is being undertaken to alleviate the lack or absence of water supply being experienced by some member-buildings.

Rest assured that the Association will continuously coordinate with MWSS to find a solution to this water problem.

Very truly yours,

JAIME R. MATIAS
Executive Secretary
