RE : CONSTRUCTION OF CONCRETE MEDIAN AT H.V. DELA COSTA ST.

Please be informed that a concrete median will be constructed at H.V. de la Costa St. starting from corner San Agustin St. (near Avignon Tower) up to corner Tordesillas St. (near Solar Century Tower) in Salcedo Village. Also included in this project is the application of thermoplastic lane markings and yellow boxes at intersections.

Construction works will commence on July 20, 2019 while completion is expected by September 20, 2019. This project, which aim is to alleviate the traffic bottleneck in the area especially during rush hours, is being implemented by the Makati Parking Authority (MAPA).

Thank you.
