RE : 2019 EARTH HOUR

This year's **Earth Hour** will be celebrated tomorrow, **March 30, 2019 from 8:30PM to 9:30PM.**

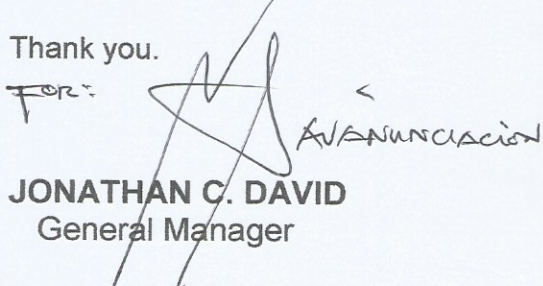

As in the past Earth Hour celebrations, MaCEA has been an active participant to this cause. We will switch off some non-essential lights and most streetlights during the event as our show of support. Rest assured that security measures will be in place to avert any untoward incident from transpiring in our area.

In line with this, we urge your full support to this meaningful event by switching off your lights between 8:30PM to 9:30PM. For your guidance, we have attached the copy of the letter from the Makati Department of Environmental Services (Makati-DES).

We likewise encourage you to accomplish the attached form and submit it to Makati-DES on or before April 5, 2019 as requested by the City.

Thank you.
