April 27, 2021

ADVISORY 2021-0427

FOR : ALL MEMBERS/ BUILDING ADMINISTRATORS
SUBJECT : MAKATI AL FRESCO PARKLETS

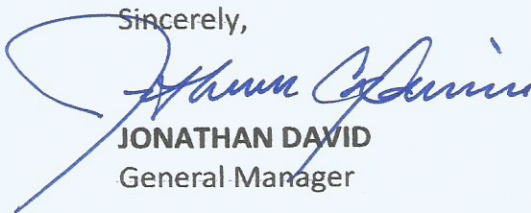

We are pleased to announce that MACEA and Make It Makati will continue helping and supporting restaurants in MCBD. The **MAKATI AL FRESCO PARKLETS** is an initiative where street parking spaces in front of establishments will be converted as temporary safe al fresco / outdoor dining of restaurants during MECQ. It will be held every Friday to Sunday, subject to the Design and Standard Guidelines. The usual COVID safety protocols will be implemented during the initiative.

To allow for preparations and the actual conduct of the initiative, available street parking spaces in Legaspi Village and Salcedo Village will be closed to vehicle parking at 8pm on Thursday until 8pm on Sunday. Other parking facilities within these villages will be available for residents and patrons of your establishments.

We would like to invite you to our meeting with merchants tomorrow via Zoom at 2pm to discuss more details about this initiative.

Should you wish to join, please feel free to get in touch with Ms. April Ylagan at ylagan.april@ayalaland.com.ph.

Sincerely,

JONATHAN DAVID
General Manager
