RE : ONLINE NATIONWIDE SIMULTANEOUS EARTHQUAKE DRILL

The National Disaster Risk Reduction and Management Council will once again hold an online Nationwide Simultaneous Earthquake Drill on Thursday, September 9, 2021 at 8:00AM.

We encourage everyone to participate and perform the "DROP, COVER and HOLD" procedure while observing proper social distancing protocol. No evacuation drill scenarios will be conducted in compliance with the minimum public health measures.

Thank you and we are looking forward to your support as we continue to enhance our preparedness and resilience to any eventualities.

Sincerely,

JONATHAN C. DAVID
General Manager
