ADVISORY 2021-1004

FOR : **ALL MEMBERS/PROPERTY MANAGERS**

RE : **ADDED SECURITY MEASURES IN MCB**

In line with our commitment to ensure the safety and security of the Makati CBD community and to address recent incidents in the Salcedo Village area, we now have in place the following additional security measures.

1. Immediate augmentation of six (6) MACEA Security Guards bringing our total deployment to 50 guards
 - a. 4 in all exit points and 2 roving guards in Salcedo Village
 - b. 3 in Legazpi Village
2. More frequent Oplan Sita and Checkpoint both in Salcedo and Legazpi Village in coordination with Makati PNP.
3. Additional twenty (20) Barangay tanods bringing our total deployment to 26 in Salcedo Village courtesy of Barangay Belair.
4. Dissemination of MACEA Hotline (0917-111-1548) in all building security personnel for emergency and urgent matters available 24/7. This number will also be posted in the public places like street poles, parks and the like.

In addition to the above measures, MACEA in collaboration with Barangays and PNP will put up a Community Help Desk starting October 8, 2021 that will be manned 24/7 by either MACEA guards, Barangay Tanod, or PNP personnel. We are likewise coordinating with our local government to discuss possible ordinances that may be needed to support our heightened security plans.

Help Desk Location	
Salcedo Village	Sedeno corner Leviste Sts. (Side Makati Sports Club)
Legazpi Village	Dela Rosa corner Rufino Sts. (Phil. Veterans Bank Bldg. side)

Thank you and we are looking forward to your support and usual cooperation as we continuously enhance our capacity to prevent security breaches in our community.

Sincerely,

Jonathan C. David
