ADVISORY 2021-1124

TO: ALL MEMBERS/BUILDING ADMINISTRATORS
RE: MUCN PROJECT – DELA ROSA and VALERO / SAN AGUSTIN SEGMENTS

In reference to our Memo Circular dated April 6, 2018 regarding the MCBD Underground Conduit Network (MUCN) Project, please be informed that effective November 26, 2021, our contractor, Fastel, Inc. will resume in the following areas:

- A. Phase 2 - Works for the Valero/San Agustin Segment covering the section from Villar to H. V. de la Costa St. in Salcedo Village;
- B. Phase 5 - Works for the Dela Rosa Segment covering the section from Dela Access Road III to Amorsolo St. cor. Urban Avenue and from Dela Rosa Access Road II to Legazpi St. in Legazpi Village.

Duration of works will be from 8:00AM to 12:00MN, except Sundays and Holidays, noise generating activities will be until 8:00PM only.

The construction activities in the mentioned areas are expected to be completed within twelve (12) months and six (6) months period, respectively.

No closure of streets shall be implemented at the MACEA project area during this period.

Please feel free to get in touch with our project manager, Trans-Asia Philippines thru Mr. Carlito Ulep at carlito.ulep@gmail.com, if you have any inquiries on the matter.

Sincerely,

JONATHAN C. DAVID
General Manager
