RE : **GARBAGE COLLECTION**

Greetings!

We would like to remind all members and Building Administrators about the garbage that our haulers should only be collecting. **Medical/Clinical waste, fastfood waste** generated from commercial food serving establishments and **construction debris** should be disposed separately from the regular office and residential garbage. For your reference, attached herewith is the copy of the previous pertaining to garbage collection.

Please be guided accordingly. Your utmost cooperation and support is highly appreciated.

Thank you very much.

Sincerely,

PAUL GETTY E. GRANADA
General Manager
