RE : SUSPICIOUS EMAIL FROM MACEA

Greetings!

We would like to inform you that our email account, macea@macea.com.ph is currently encountering issue about sending messages with a zip file attached to it and requiring a passcode to open. If you happen to receive, please do not open and delete it immediately. It has a virus that originated from an attachment sent to us by one of our customers.

We apologize for the inconvenience this has brought you. Rest assured that this will be resolved as soon as possible

Thank you very much.

Sincerely,

PAUL GETTY E. GRANADA
General Manager
