Dear Members,

In pursuant to the Executive Order No. 03 issued by Malacanang today, voluntary wearing of face masks in open spaces and non-crowded areas with good ventilation, is now allowed, provided that non-fully vaccinated individuals, senior citizens and immunocompromised individuals are highly encouraged to wear their masks, and physical distancing will be observed at all times.

Facemasks shall continue to be worn in indoor, both private and public establishments, including public transportation and in places where physical distancing is not possible.

Minimum public health standards (MPHS) intended to effectively prevent and minimize the spread of COVID-19 shall continue to be implemented.
