RE : MUCN PROJECT: VALERO / SAN AGUSTIN SEGMENTS

In reference to our Memo Circular dated April 6, 2018, Advisory 2021-1124, and Advisory 2022-0034 regarding the MCBN Underground Conduit Network (MUCN) Project, we are pleased to inform you that there are changes in the schedule of work by our contractor, Fastel, Inc. Kindly refer to the details below:

Phase 2 - Works for the Valero/San Agustin Segment covering the section from Villar to H. V. de la Costa St. in Salcedo Village.

Duration of works will be 24 hours during Weekdays, Weekends and Holidays, noise generating activities will be until 8:00PM only.

The construction activities in the areas mentioned are expected to be completed until the year end of 2022.

No closure of streets shall be implemented within the MACEA project area during this period.

For any questions or clarifications on the matter, you may reach us at 0917-111-1548 and macea@macea.com.ph.

Sincerely,

PAUL GETTY E. GRANADA
General Manager
