RE : IMPLEMENTATION OF MACEA UNDERGROUND CONDUIT NETWORK
(MUCN) NEXT SEGMENTS

In reference to our Memo Circular dated April 6, 2018 and Advisory 2021-1124 regarding the MACEA Underground Conduit Network (MUCN) project, please be informed that we will proceed with the next segment starting January 04, 2023:

Phase 3 - Works for the **Adelantado/Gamboa/Salcedo/Bolanos/Sotto Segment** covering the section from V.A. Rufino to Dela Rosa for the segment of Bolanos and Sotto, Gamboa to Dela Rosa for the Salcedo Segment, Benavidez to Dela Rosa for the Adelantado Segment and Amorsolo to Paseo de Roxas for the Gamboa Segment in Legazpi Village.

Duration of works will be from 8:00PM to 6:00AM Mondays to Fridays, and 24 hours during Weekends and Holidays. Any noise generating activities will be until 8:00PM only.

The construction activities in the mentioned areas are expected to be completed within three (3) months.

Streets and traffic flow will be remained open during the entire duration of the project. Safety measures and traffic control devices will be put in place for the benefit of the general public.

For any questions or clarifications on the matter, you may reach us at 0917-111-1548 or send us an email macea@macea.com.ph.

We request for your utmost understanding and patience during the implementation of this project.

Thank you.

Sincerely,

PAUL GETTIE E. GRANADA
General Manager
