ADVISORY 2024-0036

DATE : MAY 15, 2024
FOR : DEVELOPERS / CONSTRUCTING MEMBERS
SUBJECT : FULL PARTICIPATION AND ATTENDANCE TO THE 2024 DEVELOPMENT CONTROL (DEVCON) SUMMIT

Dear Members,

In relation to the recently released advisory on the 2024 DEVCON Summit Advisory 2024-0029, we enjoin all constructing locators to fully participate in this momentous event prepared by MACEA through its management team.

With this, we are expecting Project Owners/ Developers to send at least two (2) representatives. Likewise, to mandate their respective general contractors to send at least four (4) representatives, two (2) safety officers (preferably SO2 and above), and at least two (2) sub-contractor representatives per trade.

This is to ensure that all work force levels in our construction community are well informed and apprised on the latest Estate Construction Rules and Regulations, Safety and Compliances.

This event will be graced by two of our esteemed keynote speakers: Arch. Maria Theresa L. Quimpo, EnP, from Ayala Land Estates Inc.'s Planning, Innovation, and Design Group, who will share their knowledge on estate master planning essentials and elements; and Engr. Jose Maria S. Batino, Executive Director of the Occupational Safety and Health Center, who will discuss safety practices on construction sites.

Since we are promoting workplace safety, please ensure that there will still be enough safety officer left in your respective construction site for supervision.

For any questions or inquiries, you may call us at 0917-1111548 and/or email us at macea@macea.com.ph.

For and on behalf of Makati Central Estate Association, Inc.

REYNALD JOSEPH P. ALEGADO
Development Control Manager
