Dear Members,

The association is committed to creating a safe, secure, and walkable community. To achieve this vision, we are leading two major projects.

The Paseo de Roxas Underpass and Makati Avenue Underpass renovation aims to create more inviting spaces, encouraging walking and promoting a safer, pedestrian-friendly cityscape.

The works will be carried out from 10 P.M. to 5 A.M. starting on July 15, 2024, Monday through Sunday. All noise-generating activities will be limited to daytime hours. The construction schedule is as follows:
