SUBJECT : MAKATI CENTRAL BUSINESS DISTRICT EMERGENCY EVACUATION DRILL

---

Dear Members,

We would like to inform you of the upcoming Earthquake and Evacuation Drill on July 30, 2024, at 9:00 AM. This activity is in collaboration with the Makati City Disaster Risk Reduction and Management Office (DRRMO), Barangays San Lorenzo, Bel-Air, and Urdaneta, and Ayala Center Estate (ACEA). The purpose of this exercise is to strengthen our emergency response capabilities and adhere to the emergency drill programs set forth by Makati City and the Barangays.

During the drill, we shall implement the DUCK, COVER, AND HOLD procedure and evacuate to your designated evacuation area. Concurrently, MACEA will establish an incident command center for a unified command and a field hospital at the Legaspi Carpark, simulating the urgent need for medical response and assistance as in a real scenario.

We kindly request that you provide the number of people in your building and the number of participants in the drill. This data will be submitted to the assigned evaluators following the Incident Command System (ICS). Please complete the section below and return it via email before July 26, 2024. All collected data will be used solely for its intended purpose.

Rest assured that traffic marshals will be present, and road signs will be placed in strategic locations to ensure traffic safety.

We appreciate your cooperation in this important endeavor.

If you have any questions or concerns, please email us at macea@macea.com.ph or call us at 0917-1111548.
