SUBJECT : **SUSTAINABILITY SURVEY – ENHANCING TO A GREENER FUTURE**

Dear Members,

As part of our ongoing efforts to promote sustainability and enhance estate management practices across the Makati Central Business District (MCBD), we are conducting a Sustainability Survey in partnership with Ayala Land.

This initiative aims to gather insights into the environmental and social programs currently being implemented within buildings and properties across the district.

For your reference, please see the attached joint letter from MACEA and Ayala Land, which includes further details about the survey. You may access the survey via the link or QR code provided in the letter.

Please be assured that all responses will be treated with strict confidentiality and will be used solely to strengthen our sustainability programs and improve engagement with our members.

Should you have any questions or require assistance, feel free to contact us at macea@macea.com.ph.

Thank you for your continued support and participation.
