MEMORANDUM CIRCULAR 2002 - 13

FOR : MEMBERS/BUILDING ADMINISTRATORS

Meralco is embarking on a project to improve the voltage regulation and reliability of the feeders to the Makati Central Business District (MCBD). In the process, excavation will be done along the following areas to accommodate the underground cables that will provide the additional power coming from the new Urdaneta Substation:

1. Apartment Ridge Road [Urdaneta Apts. to Sto. Tomas St. (Urdaneta Village fence side)];
2. Recoletos St.;
3. Sto. Tomas St.;
4. Sta. Potenciana St.;
5. Villar St. (Paseo de Roxas to Valero St.);
6. Valero St. (Villar St. to Manhattan Square Bldg.);
7. Dela Rosa St. (Makati Ave. to Legazpi St.); and
8. Legazpi Pedestrian Mall Access Road sidewalk (infront of Ramon Cojuangco Bldg).

The project will start on September 07, 2002 and is expected to be completed on January 31, 2003. Rest assured that the flow of traffic will not be disrupted and cleanliness will be maintained. Precautionary measures will also be implemented to ensure safety in the area.

Please be guided accordingly.
