RE : TREE PLANTING PROJECT

This is in connection with MaCEA's tree planting project within the MCBF.

Please be advised that we will be undertaking excavations on portions of sidewalk areas (including those with special pavement finishes) along the main streets which is part of the road Right-Of-Way, for the construction of 1.00m. by 1.00m. square tree holes and the planting of tree saplings.

Very truly yours,
