MEMORANDUM CIRCULAR 2005 -10

TO: BUILDING ADMINISTRATORS
RE: UNAUTHORIZED VENDORS

We have observed that unauthorized vendors are operating within the boundaries of some properties.

MaCEA has been trying to control the operation of these vendors to prevent their proliferation and preserve the image of Makati City as the country's premier business district. As members of the Association, it is everyone's responsibility to support this endeavor by not coddling these vendors and instead assist in driving them out of the MaCEA jurisdiction. Otherwise, corresponding sanctions may be imposed.

Your immediate and favorable action on the matter is hereby anticipated.

JAIME R. MATIAS
