MEMORANDUM CIRCULAR 2005-11

FOR : ALL BUILDING ADMINISTRATORS
RE : GARBAGE COLLECTION

Please be informed that all garbage and food wastes generated from commercial food serving establishments such as fastfood joints, convenience stores, and snack kiosks, as well as all styrofoam materials are not included in our daily garbage collection, in addition to construction or renovation debris, busted lighting fixtures, and tree and plant trimmings or branches which are already being excluded from the collection.

We expect that these items be packed and stored separately from the regular office and residential garbage. Your cooperation and abidance is hereby enjoined.
