MEMORANDUM CIRCULAR 2005-17

FOR : ALL BUILDING ADMINISTRATORS
RE : PAGING SYSTEMS & DRIVEWAY ALARMS

Everyone is enjoined to refrain from using megaphones and loud speakers as paging systems to call the attention of drivers and other personnel. Similarly, we are also discouraging the use of loud and irritating driveway alarms or buzzers. If the use of these equipment cannot be avoided, please keep the volumes within tolerable levels to maintain peace and tranquility around the area especially during nighttime.

Anticipating your usual cooperation.

JAIME R. MATIAS
General Manager *dpw*
