MEMORANDUM CIRCULAR 2005-18

FOR : ALL BUILDING ADMINISTRATORS

RE : OPERATION OF BARS, BISTROS OR SIMILAR ESTABLISHMENTS

Due to numerous complaints, bars, bistros or any similar establishments operating within your building should be advised to limit their noise and loud music until 12:00 midnight only. Loud noise and music become nuisances to the neighboring buildings especially during the wee hours of the morning.

Anticipating your usual cooperation.
