MEMORANDUM CIRCULAR 2006-09

TO: ALL BUILDING ADMINISTRATORS
RE: LITTERING

As a follow-up to Memorandum Circular 2004-14 dated November 11, 2004, we are again requesting all building administrators to enjoin your tenants/occupants (particularly, the office and call center employees) to refrain from indiscriminately throwing their debris such as cigarette butts, plastic cups and wrappers, etc. on the sidewalks and roadways. Such act is in direct violation of Municipal Ordinance No. 93-172 of Makati and is subject to appropriate sanctions and penalties. This debris does not only serve as an eyesore but greatly contributes to the clogging of the drainage system which eventually leads to the flooding of the area.

We expect that all garbage and debris will be disposed of properly.
