MEMORANDUM CIRCULAR 2016-09

TO : ALL MEMBERS/BUILDING ADMINISTRATORS

**RE : MMDA 2ND SHAKE DRILL AND BUILDING EMERGENCY EVACUATION PLAN (BEEP)
ON 22 JUNE 2016**

We would like to inform you that MaCEA will join the MMDA 2nd Shake Drill on 22 June 2016. In this regard, we are counting on your support by joining in this undertaking.

The Metro Manila Shake Drill (#MMShakeDrill) is a metro-wide earthquake drill. It aims to promote a culture of preparedness among Metro Manila residents for a possible 7.2 magnitude movement of the West Valley Fault. It is organized by the Metro Manila Disaster Risk Reduction and Management Council (MMDRRMC) and managed by the Metro Manila Development Authority (MMDA), the Office of Civil Defense (OCD), and other agencies and stakeholders.

The Shake Drill will be conducted on June 22, Wednesday, from 9:00 onwards in Metro Manila. At 9:00AM, radio stations will be sounding the earthquake alert which will signal the start of the drill. Your company, church, school, or institution may also sound your own alerts or bells through your respective public announcement (PA) systems. To signify your property's participation to the MMDA 2nd Shake Drill 2016, MMDA has launch a website where you can sign up either as an Organization or as an individual.

Please visit their website: <http://www.mmshakedrill.ph> to register. Once you are done with the registration, you will receive a confirmation email with a link to verify your registration. We encourage you to have your own scenario based on the sample given by the MMDA website or you may perform the duck, cover and hold once you hear the sound of the alarm. For those who will perform evacuation drill you may use the portion of the sidewalk, streets near your building or the nearest open parks. After the drill, kindly send us the number of people who participated in your building thru email at macea@macea.com.ph or you can send a letter to our office.

Should you have questions please feel free to email us at macea@macea.com.ph.

Thank you.

JONATHAN C. DAVID
