RE : MAKATI TRAFFIC STUDY – ONLINE SURVEY

Dear Members,

We are writing to you with regard to the ongoing **Makati Traffic Study** to identify opportunities to improve traffic and commuter mobility within the Makati Central Business District.

A critical component of this study is an **Online Survey** to understand the daily traffic movement of the Makati CBD office workers, residents and visitors, and identify transit solutions to make travel between key areas and major roads easier and more efficient.

In this regard, we would appreciate it if you can request the office workers and residents within your property to accomplish the Online Survey through the link below or QR code attached. The survey will only take approximately 5-7 minutes to complete. We are targeting to obtain all responses by November 15, 2024.

Kindly complete the survey using this link or QR code:
