MEMORANDUM CIRCULAR 99-17

TO : ALL MEMBERS/BUILDING ADMINISTRATORS
RE : IMPORTANT ADVISORY ON GARBAGE

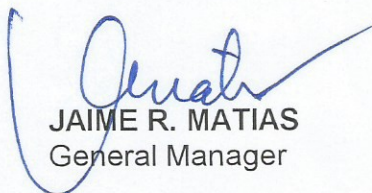

Please be advised that the Metropolitan Manila Development Authority (MMDA) has started implementing MMDA Resolution No. 99-004 entitled "Regulation Governing Proper Refuse Management at Source in Metro Manila Area and for Other Purposes" starting September 25, 1999.

MMDA Regulation No. 99-004 requires every one to segregate their garbage using the following color coded system:

- | | |
|------------------|---|
| GREEN BAG | - Biodegradable wastes such as food wastes, grass, leaves fruit peeling, etc. |
| BLACK BAG | - Non-biodegradable wastes such as tetra pack, plastic grocery bags, window glass, used ballpen, ceramic, film negatives, sachets, etc. |

Therefore, our garbage collectors will only accept segregated wastes effective October 06, 1999. Your cooperation is being requested so that garbage collection will not be hampered.

Thank you.
